Favorite #1) HUGE 4 HP MOTOR/560# USER CAPACITY/525# TREADMILL

Favorite #2) SUPER TUFF TREADMILL SYSTEMS ARE VIRTUALLY "NO MAINTENANCE"... Unit is self-cleaning under hood, also both the **Electronics and Motor Systems Run Super-Cool... 65% cooler than other treadmills due to cyclonic cooling system.** (The deck is also a self lubricating resin coat system not wax processed... 40,000 mile rated belt... the deck has low friction coefficient similar to **Teflon** coating)

Favorite #3) THE FRAME IS RFT POLYUREA ELASTOMER COATED... Similar to truck bed liner coating but even greater durability...

vastly more durable than powder coating and over Ten (10) times more durable than paint.

Lifetime Guaranteed.

Favorite #4) FLIP UP "STUBBY" HAND RAILS/ MOUNTED DUMBBELL RACK... Flip Rails Work Much Better For Full Stride Running.

Favorite #5) NSR CUSHIONED DECK WITH 6 POINT ELEVATION SYSTEM... Feels better to runners, lasts longer, no belt slippage side-to-side or front to back.

Favorite #6) WARRANTY: FULL HEALTH CLUB/FULL COMMERCIAL USE, USAGE 100+ HOURS PER WEEK... Lifetime Frames and Casting 3 Year Parts and 1 Year Labor for Club/Full Commercial Settings.
